PROFESSIONAL EXPERIENCE

Jan 2021 – Present

Software QA Engineer – JP Essentials Pvt. Ltd., New Delhi

Designed and executed test cases for Ninja Private Messenger app covering chat, group chat, audio/video calls, emoji reactions, and disappearing messages.

Tested Tasty Punjab food delivery app, verifying payment flows (Stripe, Afterpay, Zip Pay), optional delivery tip module, and admin order deletion feature.

Performed regression testing after each release cycle, ensuring 95% defect-free deliveries.

Collaborated with developers to resolve issues, reducing bug resolution time by 30%.

Prepared detailed bug reports, test plans, and release documentation.

Jul 2019 – Dec 2020

QA Tester (Intern → Junior QA Engineer) – WebCrafters Solutions, Gurugram

Conducted manual testing for e-commerce platforms and booking apps.

Reported and tracked bugs using Jira, ensuring proper prioritization.

Tested cross-browser compatibility and device responsiveness.

Supported senior testers in API validation and database checks.
